Not Sure

Comments (Young Children)

No young children in house.

Turn Out Routine

Once in the morning, once we get home, and after dinner, with a few extra times before bed.

Potty On Lead

Yes

Garbage

Garbage is not easily accessible but shows little interest

Stairs

Pretty good even with long flights

Floors

Mostly good (95% of the time) although will skitter if overly excited.

Counters

Not allowed in kitchen. She shows interest but we have not had a problem.

When is the hound crated?

- Both

How does the hound handle being crated?

She can be a little vocal for a few minutes but gets over it quickly.

What does the hound enjoy?

Playing with toys, attention, and running outside by herself or with other hounds.

Does the hound have any fears?

She is apprehensive of new people, animals, and things. She also will startle with loud noises.

What type of temperament does the hound have? (Shy, outgoing, confident, etc.)

Lowe is shy and affectionate. She is pretty laid back for a young dog.

How does the hound handle new situations?

She is apprehensive at first and takes a bit to warm up.
